SUMMARY:

Frontend Web Developer: Experience in making Responsive and Interactive User Interfaces.

TECHNICAL SKILLS:

- HTML5
- CSS3
- JavaScript
- GSAP Library
- Bootstrap
- jQuery

Projects:

• UI Clone of Sidcup Family Golf Website

Created an advanced CSS and GSAP animation-based UI clone. Ensured responsiveness for mobile devices. Incorporated interactive features using HTML5, CSS3, and JavaScript.

• Duo Studio Website Replication

Replicated a dynamic scrolling animation Webpage. Used Scroll Trigger and GSAP libraries for smooth transitions and interactive effects.
